CLALLAM COUNTY BURN RESTRICTIONS

The Clallam County Burn Restrictions will take effect July 1, 2025, and run through October 1, 2025, unless conditions warrant a total burn ban.

The Burn Restriction applies to all outdoor burning except recreational fires used for pleasure, religious, ceremonial, warmth, cooking or similar purposes. This ban also applies to any use of propane "weed burners". Recreational fires are permitted unless further banned by extreme weather conditions.

Note: Recreational fires are limited to 3-feet in diameter and 2-feet in height. Fires for debris disposal are not legal under any circumstances and are not considered recreational.

The exception is within the Olympic National Park and other State controlled campgrounds as they are regulated by Federal/State requirements.

If conditions arise, the restrictions may be upgraded to a HIGH FIRE DANGER, this will prohibit all outdoor burning which includes recreational fires and the use of charcoal briquets
